MR. POPPER'S PENGUINS

Dramatized by Albert O. Mitchell
Based on the book by
Richard and Florence Atwater

This play is about a modern family who fall heir to two Arctic penguins in their Mid-Western home, and end up with a troupe of penguins, which threatens to eat them out of house and home. The problem of adapting an ordinary home to the penguins' needs provides some engaging comedy, and leads the family through some rather tense situations, but it is the penguins, finally, who make their fortune.

From dinosaur extinction to Columbus, from the wheel to space exploration, they're all rediscovered in this clever, chaotic, comical cataclysm of creativity.
